Giving Update

On Sunday, August 22nd College Church was given the opportunity to give to our Haitian brothers and sisters following the earthquake that hit their country the week before.

Through your generous giving, we were able to send \$10,000 to aid the relief work that World Hope International has provided since the earthquake. They have been and continue to supply clean water, medicine, and healthcare to those who have been most impacted.

Thank you for your generous giving and your love for God's global Church!
